# Duháčci z hradu

Duháčci jsou velmi zvědaví a rádi pozorují okolí svého hradu. Z každého okýnka je vidět něco jiného a tak se v nich často střídají. Někdy pozorují okolí i vzhůru nohama! Když je to přestane bavit, otočí se zády, nebo odejdou.

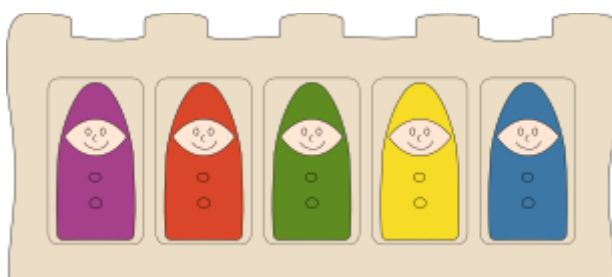

Pomůžeš jim? Podle kartiček poskládej, jak Duháčci zrovna stojí v oknech. Zkoušej i nové kombinace, ať Duháčci uvidí co nejvíce.

Můžeš také vyzkoušet, jak dobrou máš paměť. Vezmi si kartičku, zapamatuj si pořadí trpaslíčků a z paměti je poskládej. Kolik trpaslíčků je správně? Porovnej s kartičkou :-)
